

Table of contents

Chapter 1: Introduction	1
Chapter 2: Microliths and their theoretical context	3
2.1 An introduction to microlithic technology	3
2.2 Microliths and modern human behaviour.....	11
2.3 Microliths and modern human dispersals.....	15
Chapter 3: Study areas and site backgrounds	21
3.1 The Howiesons Poort of Southern Africa	21
3.1.1 Rose Cottage Cave, South Africa	23
3.1.2 Umhlatuzana, South Africa	24
3.1.3 Ntloana Tsoana, Lesotho	26
3.2 The Late Palaeolithic of South Asia.....	28
3.2.1 Batadomba-lena, Sri Lanka	31
3.2.2 Kitulgala Beli-lena, Sri Lanka	34
3.2.3 Patne, India.....	36
3.2.4 Jwalapuram 9, India.....	38
Chapter 4: Methodology	40
4.1 Data collection and sampling strategies	40
4.2 Attribute analysis	40
4.3 Statistical analysis	46
Chapter 5: Howiesons Poort microlithic technology	48
5.1 Rose Cottage Cave, South Africa.....	48
5.2 Umhlatuzana, South Africa	72
5.3 Ntloana Tsoana, Lesotho.....	94
Chapter 6: South Asian Late Palaeolithic microlithic technology	106
6.1 Batadomba-lena, Sri Lanka	106
6.2 Kitulgala Beli-lena, Sri Lanka.....	125
6.3 Patne, India.....	127
6.4 Jwalapuram 9, India	141
Chapter 7: The southern African and South Asian early microlithic industries compared	159
7.1 Comparison between sites and summary of variability in the southern African Howiesons Poort.....	159
7.2 Comparison between sites and summary of variability in the South Asian Late Palaeolithic.....	167
7.3 Comparison between early microlithic technology in southern Africa and South Asia.....	173
Chapter 8: Conclusions and wider implications	185
Bibliography	191
Appendix A: Supplementary data tables	209
A.1 Rose Cottage Cave, South Africa.....	209
A.2 Umhlatuzana, South Africa	218
A.3 Ntloana Tsoana, Lesotho.....	227
A.4 Batadomba-lena, Sri Lanka	232
A.5 Kitulgala Beli-lena, Sri Lanka.....	240
A.6 Patne, India.....	242

A.7	Jwalapuram 9, India	249
Appendix B: Results of statistical tests of temporal changes		255
B.1	Rose Cottage Cave, South Africa.....	255
B.2	Umhlatuzana, South Africa	262
B.3	Ntloana Tsoana, Lesotho.....	268
B.4	Batadomba-lena, Sri Lanka	271
B.5	Patne, India.....	276
B.6	Jwalapuram 9, India	282
Appendix C: Notes on comparisons with the Indian datasets.....		288
C.1	Patne, India.....	288
C.2	Jwalapuram 9, India	288
