Abstract	xii
Chapter 1 Introducing Bronze Age juglets	1
What were Bronze Age juglets?.....	1
Defining and typing juglets from different regions	2
Previous research which has provided observations on juglets.....	4
Studies focusing on origin and production	4
Observations on juglet imports from consumption-based studies.....	5
Neglected areas and further avenues for research	7
Chapter summary	7
Chapter 2 The Bronze Age world of juglet circulation: cultures, chronology and commerce	9
Cultural frameworks	9
Spatial boundaries based on geographical and cultural divisions	9
Groupings of regions	11
Cultural identities and social constructs	11
Synchronising the chronological frameworks.....	12
Chronological periods and their socio-political backgrounds.....	13
The early part of the MBA (1850-1650 BC).....	13
The later MBA or Hyksos period (1650-1550 BC).....	15
Transitions to the LBA.....	16
The mid-late LBA	17
The end of the LBA in the eastern Mediterranean	18
Trade, traders and trade routes.....	19
Chapter 3 How juglets circulated: theoretical considerations for analysis and pragmatic methodological approaches.....	21
Theoretical considerations for analysis.....	21
Theoretical perspectives for local economies.....	21
Economic theories as applied to long-distance exchange	25
Specific theoretical framework for juglet distribution	26
Methods for data collection and analysis	29
Some notes on the data sources.....	29
Minimising recovery bias in distribution studies	30
A pragmatic approach to chronological uncertainty	31
Chapter 4 Clues to the contents of the juglets	32
The different types of evidence available	32
Chemical analysis.....	32
Textual information.....	33
Contextual evidence.....	35
Pictorial evidence	36
Oils for anointing or intoxicants for imbibing?.....	39
Juglet form followed function.....	41
Small objects of desire: juglet style and meaning	42
Juglets as brands.....	45
Chapter 5 Middle Bronze Age traditions in juglet production and consumption	47
Local juglet use in the different regions.....	47
Palestine	48
Syria	57
Eastern Delta	57
Middle and Upper Egypt and Nubia.....	58
Cyprus	59
Imports, imitations and international influences on juglet consumption in the MBA.....	62
Eastern Delta	62
Middle and Upper Egypt, and Nubia.....	62

Palestine and Syria	63
Cyprus	63
Were foreign juglet commodities prestige items?	64
Summary of results with discussion of the cultural implications.....	65
Juglet consumption and cultural practices in Cyprus, Palestine and Syria.....	65
Juglet consumption and transferred ideology in Egypt and Nubia.....	66
Regional preferences and regional group identity	66
Imports, imitations and the exchange of ideas	67
Chapter 6 The innovative juglets of the MBA/LBA transition: the Cypriot perspective	69
Regionalism on Cyprus in Late Cypriot I	69
The Late Cypriot I and its innovative juglet commodities	70
The continuance of WP juglets in south-eastern Cyprus.....	70
Red-on-black juglets that never left the Karpas peninsula	71
Black Slip juglets: experimentation with new forms	73
The rise of the popular BR I juglet commodities	75
BLWM juglets as popular but short-lived novelties.....	81
Red Lustrous Wheel-made narrow-necked vessels: an exotic introduction	85
White Shaved juglets.....	87
The juglets that were not successfully developed as commodities.....	89
The changes in juglet production and consumption in the transition from MBA to LBA outside Cyprus	89
Important coastal centres and their roles in juglet circulation.....	91
The mainland entrepôts	93
Summary and conclusions	94
Discussion.....	97
Productive consumption and competitive regionalism.....	97
Distribution mechanisms.....	99
Chapter 7 The era of the exports	100
International exchange during this period.....	100
Juglet consumption practices in the mid-late LBA	101
The Cypriot juglet trade at its height.....	104
BR I juglets	104
BR II juglets	112
White Shaved juglets.....	114
RLWM vessels.....	116
Imitations of imported Cypriot juglets - proof of prestige value?.....	119
The impact of Mycenaean commodities on the international juglet trade	121
Regional distribution and product preferences of Mycenaean narrow-necked containers	121
The diachronic variation in distribution of Mycenaean narrow-necked containers	124
Mycenaean narrow-necked containers exclusive to the LHIIIA:2 period.....	126
Mycenaean narrow-necked containers dated to the LHIIIA-B period	129
Mycenaean narrow-necked containers of the LHIIIB period	131
Imitations of Mycenaean narrow-necked containers.....	133
Changes in the centres associated with juglet circulation in the mid-late LBA	135
A role for Cyprus in the Mycenaean precious commodity trade?.....	137
Did Cyprus play a role as middle-man in the Mycenaean juglet trade?	137
Did Cyprus produce and export Mycenaean-style commodities?	139
Did Cyprus have any influence on the Mycenaean precious commodity trade?.....	140
Summary and conclusions	142
Juglet consumption in the mid-late LBA	142
Regional distribution patterns of juglet types and styles.....	142
Diachronic changes in distribution patterns	142
Production and distribution centres and possible trade routes	142
Discussion.....	143
The circulation of juglets in the changing socio-political and economic environment	143
Consumer attitudes to imported juglets.....	144
Producer/distributor influences on juglet commodities: branding and targeted marketing	145
Chapter 8 Conclusions: the expected, the unexpected, and their socio-economic implications.....	147
Consumption practices of juglet consumption and their social implications	147
The distribution of imported juglets and its socio-economic implications	149
The logistics of juglet distribution in the Bronze Age eastern Mediterranean.....	150

Future prospects for juglets.....	151
Appendix I Typological guide to Bronze Age juglets	153
Classification of Cypriot juglets based on the Swedish Cyprus Expedition (SCE)	153
Classification of Palestinian juglets	164
Classification of Egyptian juglets	168
Tell el-Yahudiyeh (TEY) juglets	170
Mycenaean small narrow-necked containers	172
Appendix II Sampled sites	174
Appendix III Recorded contexts/stratigraphies with dates and time periods	176
Appendix IV Aoristic analysis.....	183
