List of figures	xi
List of tables	xiv
1. Introduction	1
Historical publications on early medieval wind instruments.....	1
Methods, sources and theory	2
Methodological approaches used in this book.....	3
Chapter outline.....	7
Horns and trumpets	7
Bagpipes and hornpipes	7
Bone pipes and panpipes	7
Organs.....	7
Instrument range and audibility	8
Conclusion	8
A brief overview of music theory	8
Early medieval music theory: a brief introduction	9
Early medieval notated music in England	10
2. Horns and trumpets	11
Pre-early medieval instruments	11
Terminology and types.....	11
Material.....	13
Making a horn and trumpet.....	15
Literary evidence	15
Law codes	16
Epic poems.....	16
Riddles	18
Iconographic evidence.....	22
Archaeological evidence.....	25
Horncore assemblages	25
Metal fittings	25
Wooden instruments: the River Erne horn.....	30
Comparative material from mainland Europe.....	31
The Winchester moot horn.....	32
Uses.....	32
Concluding remarks.....	33
3. Bagpipes and hornpipes	35
Introduction.....	35
Reeds.....	35
The bagpipes.....	36
The hornpipe.....	37
Craftsmanship of bagpipes and hornpipes.....	37
Early medieval archaeological evidence	37
Contemporary continental Europe.....	37
Early medieval archaeological finds from England.....	39
Iconography and literary references	39
Iconographic evidence	39
Literary evidence: law codes	41
Literary evidence: the Exeter Book of riddles	41
Use	43
Concluding remarks.....	43

4. Bone pipes	45
The origins and history of bone pipes.....	47
Early medieval bone pipes found in England.....	47
Duct flutes.....	50
Bone pipes for which the sounding mechanism is unknown.....	50
Reed pipes.....	51
Duct flutes.....	57
Reed pipes.....	58
End-blown flutes?.....	59
Unknown bone pipes.....	59
Fingerhole number, placement and size.....	60
The window and suspension holes.....	63
Choice of material.....	64
Craftsmanship.....	65
Making a bone pipe today.....	65
Use.....	66
Detecting bone pipes archaeologically.....	66
Concluding remarks.....	66
5. Panpipes	69
6. The organ	73
Introduction.....	73
Background.....	73
Organ terminology and types.....	73
The pre-early medieval organ and its origins.....	76
Comparable organs from other places.....	77
The organ in early medieval England.....	77
Technologies of the organ.....	78
Iconographic evidence.....	78
Literary evidence.....	84
Archaeological evidence.....	87
The Winchester organ: understanding the instrument from Wulfstan’s description.....	88
The bellows.....	90
The windchest and pipes.....	94
Construction, craftsmanship and mechanism.....	96
The workings of the windchest.....	98
Making the windchest and experiments.....	101
The sounding mechanism.....	102
Tuning patterns and pitches.....	108
The treatises on organ pipe measurements.....	109
Size, shape and diameter of the pipes.....	111
Where was the organ placed?.....	113
The uses of the organ.....	115
Concluding remarks.....	115
7. Instrument range and audibility	117
Re-creating the instruments.....	117
Establishing audibility range.....	117
The organ: an estimation.....	122
Concluding remarks.....	124
8. Conclusion	125
The range of early medieval wind instruments in England.....	125
The social contexts of the wind instruments.....	125
The construction and mechanism of the wind instruments.....	126
Searching the archaeological record.....	127
The way forward.....	127
Definitions and abbreviations	129
References	133
Index	145

Videos of recreated early medieval instruments (available online only):

1. Horn played in woodland - <https://doi.org/10.30861/9781407362113-Video1>
2. Horn played in an open area - <https://doi.org/10.30861/9781407362113-Video2>
3. Hungate instrument played in open countryside - <https://doi.org/10.30861/9781407362113-Video3>
4. Hungate instrument with horn played in woodland - <https://doi.org/10.30861/9781407362113-Video4>
5. Hungate instrument without horn played in woodland - <https://doi.org/10.30861/9781407362113-Video5>
6. Hungate instrument played in open countryside - <https://doi.org/10.30861/9781407362113-Video6>
7. Bone pipe from York played as a reed pipe, played in woodland - <https://doi.org/10.30861/9781407362113-Video7>
8. Bone pipe from York as a reed pipe, played in open countryside - <https://doi.org/10.30861/9781407362113-Video8>
9. Bone pipe from York played as a duct flute, played in open countryside - <https://doi.org/10.30861/9781407362113-Video9>
10. Bone pipe from York played as a duct flute in woodland - <https://doi.org/10.30861/9781407362113-Video10>
11. Bone pipe from Wicked Bonhunt played as a reed pipe in woodland - <https://doi.org/10.30861/9781407362113-Video11>
12. Bone pipe from Wicked Bonhunt played as a reed pipe in open countryside - <https://doi.org/10.30861/9781407362113-Video12>
13. Bone pipe from Wicked Bonhunt played as a duct flute in woodland - <https://doi.org/10.30861/9781407362113-Video13>
14. Bone pipe from Wicked Bonhunt played as a duct flute in open countryside - <https://doi.org/10.30861/9781407362113-Video14>
15. Duct flute from Winchester played in woodland - <https://doi.org/10.30861/9781407362113-Video15>
16. Duct flute from Winchester played in open countryside - <https://doi.org/10.30861/9781407362113-Video16>
17. Panpipes, based on a set found in York, played in open countryside - <https://doi.org/10.30861/9781407362113-Video17>
18. Panpipes, based on a set found in York, played in woodland - <https://doi.org/10.30861/9781407362113-Video18>
19. Organ - single rank of pipes voiced by swan feather reeds - <https://doi.org/10.30861/9781407362113-Video19>
20. Organ - single rank of pipes voiced by sheet metal reeds with a 3D printed shallot - <https://doi.org/10.30861/9781407362113-Video20>
21. Organ - single rank of pipes voiced by flue pipes - <https://doi.org/10.30861/9781407362113-Video21>
22. Organ - single rank of pipes voiced by *Phragmites australis* reeds - <https://doi.org/10.30861/9781407362113-Video22>
