List of Figures	ix
List of Tables	xi
Preface	xiii
1. The Pueblo Ladder	1
1.1 Pueblo Ladder Types	5
1.2 Matters of Scope, Evidence, Dating, and Organization.....	5
2. Ladders in Use	9
2.1 Ladder Alternatives.....	11
2.2 Sacred Ladders?	12
3. Pueblo Woodworking Tools of Stone and Metal	17
3.1 Stone Axes	17
3.1.1 Dating the Earliest Ancestral Pueblo Axes	18
3.1.2 Developments in Ancestral Pueblo Axe Design	21
3.1.3 Origin of the Ancestral Pueblo Axe	21
3.1.4 Adoption of the Ancestral Pueblo Axe.....	22
3.2 Axes and Other Woodworking Tools of Iron and Steel and Related Technologies	23
3.2.1 Origin of Metal Woodworking Tools	23
3.2.2 Adoption of Metal Woodworking Tools.....	24
3.2.3 Adoption of Spanish Metalworking Techniques.....	25
3.2.4 Remains of Metal Woodworking Tools Found in Pueblo Villages.....	26
3.2.5 Dendroarchaeology of Pueblo and Navajo Metal Tool Use	27
Dendroarchaeology of Walpi Pueblo	27
Dendroarchaeology of Navajo Sites in Northwestern New Mexico.....	28
Dendroarchaeology of Acoma Pueblo	29
Discussion of the Dendroarchaeological Evidence.....	29
3.2.6 Adoption of Spanish Woodworking Practices	29
3.2.7 Conclusion: Pueblo Response to Spanish Metal Tools, Blacksmithing, and Woodworking Practices.....	33
4. Ladder Footprints	35
4.1 Two-Pole Ladder Rests	37
4.2 One-Pole Ladder Rests	41
4.3 Conclusion	42
5. One-Pole Ladders	45
5.1 Log or Pole Ladder with Branch-Stub Footholds.....	45
5.2 Log or Pole Ladder with Cut-Notch Footholds	45
5.3 Log Ladder with Cut Stair Steps	46
5.4 Conclusion	48
6. Two-Pole Ladders	49
6.1 Plain-Pole Lashed-Rung Ladder with Supplemental Rod: The Classic Pueblo Ladder.....	49
6.1.1 Early History of the Classic Pueblo Ladder.....	53
6.1.2 Origin of the Classic Pueblo Ladder.....	54
6.1.3 Discovery of the Classic Pueblo Ladder	56
6.2 Notched-Pole Lashed-Rung Ladder	56
6.2.1 With Supplemental Rod	56
6.2.2 Without Supplemental Rod.....	57
6.2.3 Supplemental Rod Status Unknown	58
6.2.4 Discussion of Notched-Pole Ladders.....	60
6.3 Pueblo Mortised-Rung Ladder	61

6.3.1 Origin of the Pueblo Mortised-Rung Ladder	64
6.4 Spanish Mortised-Rung Ladder	64
6.5 Milled Lumber Ladder.....	66
7. Synthesis: Three Temporal Peaks in Pueblo Ladder and Axe Evidence.....	69
7.1 Data Peak 1: Seventh to Eighth Centuries	69
7.1.1 Limits to Evidence before 600 CE.....	69
7.1.2 Patterns of Technological and Architectural Change	70
7.1.3 The Architecture of Emergence	73
7.2 Data Peak 2: Mid-Eleventh through Thirteenth Centuries	73
7.2.1 How Many Ladders Were There?	74
7.2.2 Where Have All the Ladders Gone?	75
7.2.3 Spatial Variation in Ladder Recovery Rates	76
7.3 Data Peak 3: Seventeenth to Mid-Eighteenth Centuries.....	78
7.3.1 Tools of Iron.....	79
7.3.2 One-Pole Ladders.....	81
7.3.3 Two-Pole Ladders	82
7.3.4 Blacksmithing and Carpentry	83
7.3.5 What Was Lost?	85
7.3.6 Social and Political Context.....	85
7.3.7 Gender Roles.....	86
8. Illuminating the Past.....	89
Bibliography	91
Appendix A. Recorded Pueblo and Select Navajo Ladders	109
Appendix B. Twentieth Century Pueblo Ladder Replicas and Replacements	121
