List of Figures.....	xv
List of Tables.....	xvii
1. Introduction.....	1
1.1. The Erlitou State	1
1.2. Social Hierarchy in the Bronze Age of China.....	2
1.3. Dimensions of Social Differentiation.....	3
1.4. Delineating the Household Units that Compose the Household Sample.....	4
1.5. Research Questions	8
2. Erlitou Household Artifact Assemblages and Multidimensional Scaling.....	15
2.1. Multidimensional Scaling	15
2.2. The 19 Variables for Multidimensional Scaling.....	15
2.3. General Patterns of the Erlitou Households Revealed by Multidimensional Scaling.....	33
3. Wealth Differentiation within the Erlitou Household Sample.....	37
3.1. Patterns of the Variables Correlated to Wealth in the Two-dimensional Configuration.....	37
3.1.1. Variable 5. Storage Vessels.....	37
3.1.2. Variable 7. Ornaments	39
3.1.3. Variable 6. Food Preparation Artifacts	40
3.1.4. Variable 2. Incising/Stamping in Complex Patterns.....	41
3.2. Discussion	42
4. Prestige Differentiation within the Erlitou Household Sample.....	45
4.1. Patterns of the Variables Correlated to Prestige in the Two-dimensional Configuration.....	45
4.1.1. Variable 3. Polishing.....	45
4.1.2. Variable 4. Feasting Utensils and Vessels.....	46
4.1.3. Variable 1. Fingernail Incising	46
4.2. Discussion	48
5. Ritual Differentiation within the Erlitou Household Sample.....	51
5.1. Pattern of the Variable Correlated to Ritual in the Two-dimensional Configuration	51
5.2. Discussion	52
6. Productive Differentiation within the Erlitou Household Sample.....	57
6.1. Patterns of the Variables Correlated to Production in the Two-dimensional Configuration	57
6.1.1. Variable 9. Agricultural Tools.....	57
6.1.2. Variable 8. Carpentry/Construction Tools	59
6.1.3. Variable 11. Weapons/Hunting Tools	59
6.1.4. Variable 15. Lithic Production.....	60
6.1.5. Variable 16. Bone Production.....	61
6.1.6. Variable 17. Antler Production	62
6.1.7. Variable 19. Bronze Working	63
6.1.8. Discussion of Productive Activities Related to Greater Wealth	64
6.1.9. Variable 12. Resharpener Tools.....	65
6.1.10. Variable 10. Textile Tools	66
6.1.11. Variable 18. Shell Production	66
6.1.12. Variable 13. Fishing Tools.....	67
6.1.13. Discussion of Productive Activities Related to Lower Wealth	68
6.2. Discussion	68

7. Conclusions	73
7.1. Response to Research Question 1	73
7.2. Response to Research Question 2	73
7.3. Response to Research Question 3	74
7.4. Response to Research Question 4	74
7.5. Response to Research Question 5	74
7.6. Response to Research Question 6	75
7.7. Summary	75
Bibliography	79
